

ELEMENT FINANCIAL YOUTH CAPITAL PROGRAM

Internships & Mentoring

INTERNSHIPS & MENTORING - WHAT YOU WILL GAIN

- Paid summer work experience related to your career goals that will give you some \$ for school and other expenses
- Valuable employment skills and experience that will boost your resume and make you more employable
- Access to a workplace mentor who will provide support, guidance and supervision to support your success during your internship
- Increased level of confidence within a work environment
- Professional references and contacts to support future employability

WE CAN HELP IF YOU ARE...

- A current or former Crown Ward, or eligible to receive Continued Care and Support for Youth funding
- Under 26 years of age
- Motivated to work towards your job goals
- Having difficulty obtaining summer employment

CHEYANNE, FORMER YOUTH IN CARE

CHILDREN'S AID FOUNDATION is excited to be working with Element Financial on a ground-breaking program that will help youth leaving care through the Element Financial Youth Capital Program. Delivered in partnership with select organizations, the program consists of 5 components:

- High-School Completion & Post-secondary Enrollment Support
- Financial Literacy Training
- Pre-employment Skill Development
- Internships & Mentoring
- Entrepreneurial Skill Development
